## PPRAA GENERAL MEETING

January 11, 1995

Introductions of members and visitors. Treasurers report given by Ron NKØP. Minutes approved that were printed in Ø-Beat. V E. testing will cost \$5.90, KDØSU reported. Bill Petty reported on a bootlegger, and the attempts to find the individual.

### Committee Reports:

**Public Service:** Anyone interested in helping with the Walk for Children, April 22, 1995 contact Mike, KØTER.

Ted, NØNKG reported on the SSB net that is held on Mondays on 142.22 MHz at 7:00 P.M.

John, NØURR needs ideas for programs.

Rosie, WAØMNL reported on the Swapfest that will be held May 20, 1995. She said they have purchased some major prizes.

There wasn't a quorum to vote on any changes of the proposed by-laws, so the meeting was turned into a committee meeting. There were suggestions and inputs from the floor concerning how the by-laws are interpreted. The major issues discussed were membership and quorum. The proposed changes were read and talked about until 8:25 p.m. when the committee ended and the general meeting resumed.

The program for the evening was 'home brew' projects, with each individual that brought a project giving a short description of the project. Greg Tarca, WA2OOD, and Dave Kurth, NØUVR, were awarded cash prizes for 1st and 2nd.

## PPRAA BOARD MEETING

January 16, 1995

Held at the home of Warren, WØYNE. Attendance were Steve, WB7VHR; Jeff, NØWPA; Ron, NKØP; Ora, NØQIX; Warren WØYNE; Luci, NØOUD; Harry, NØSFP; Mike, KØTER; Mike, NØOCZ; Kathie, NØYTQ; Mike, KBØIAP; Rick, KDØSU; and Cliff, NØZUQ. Cliff sat in for John, NØURR.

Ron reported on the monies for swapfest and discussed a check that was received from a vendor in Denver for his last year's sales tax. Ron also received a letter from Marshall about the 501c3 tax exempt status for the club. Field Day was mentioned. Harry asked if the classes help the club in a profitable way. It was brought up if we should drop some clubs out of state and out of town from the Ø-Beat mailing list.

Luci, NØOUD turned in her resignation from the board and secretarial position.

The by-laws were discussed in some detail with no resolution, but agreement was reached to present only the quorum issue, as an amendment to the by-laws, to the membership for approval at the next general meeting.

### FROM THE PRESIDENT OF PPRAA

Our last club meeting was certainly eventful. As everyone who was there knows, there were several amendments to the Bylaws that required debate. The amendments were considered by a "Committee of the Whole," and most were eventually accepted for a vote. But, because we had lost our quorum, voting was put off until a future meeting.

I want to thank everyone who attended. Your presence allowed us to, for the most part, complete debate on the Bylaws. Though spirited at times, discussion was always polite, and everyone that spoke contributed something meaningful to the debate. January's meeting was a fine example of democracy in action.

At February's meeting, I would like to vote on just one amendment approved last month. This change is the one that will allow us to continue to conduct club business (one example: the annual Hamfest!). The approved change is to Article II, Section 5, lowering to 15 percent the percentage of attendees needed for a quorum. In order to vote on this change, we will of course, need a quorum. Currently, the required percentage for a quorum is 30 percent of full PPRAA members.

I urge you to attend the next meeting. This is your club and your attendance is important; and not just the next meeting, but at each one that you can attend. No club can function without the participation of its members, and the PPRAA is no exception.

73 de Steve, WB7VHR  
President

### Dear PPRAA Members,

We hope you had a happy holiday season. We are sorry that we did not write a letter for your January Ø Beat but we were unusually busy. Our triplets were born on 21 December. Daisy, Daphne and Dexter are doing just fine.

We attended the PPRAA meeting on 11 January. Our friend, Euclid was very excited about attending the meeting because he wanted to see the "home brew" projects. Euclid was just beside himself with joy when he saw those projects. He said that he was very impressed with the "smarts" of the PPRAA members who created that "wonderful electrical stuff" (quotations are Euclid's words). Even us non-electronical mumlops were impressed with the projects. We are glad that we didn't have to vote because we would have had to give everyone the first prize.

Euclid stated that he was disappointed that he had to wait so long to hear the participants describe their projects. Actually, all of the mumlops who attended were a little

bewildered by the meeting. When the members first started to talk about the by-laws and other issues we thought that it was some sort of planned comedy routine - something a comic satire. Mumlops do enjoy comedy. We spend much of our lives in the "laugh mode". Actually, laughing is the major form of mumlop aerobic exercise.

Well, so much for mumlop comedy. We soon realized that no one was joking. Up until this time, we had never realized that PPRAA members take themselves so seriously. We do not quite understand what the members seem so hurt and angry about. We did not understand how members could be so apparently sensitive to their own feelings and at the same time be so apparently insensitive to other members' feelings. We did not understand the apparent self-righteousness. We felt sad when we the acrimonious nature of the discussion. Some of the discussion seemed a little mean-spirited.

The PPRAA meeting made us think about our very distant history of thousands of years ago. I won't bore you with the details, but thousands of years ago, mumlops spent much of their time fighting with each other over very unimportant things. Our ancestors realized that they were just wasting their time and making lots of mumlops miserable in the process. So, one day, they just stopped.

We really like you nice human people in the PPRAA. We hope you can solve your little problems so that you can spend your time doing that wonderful ham radio stuff. The PPRAA organization with its by-laws and rules and official titles is not really that important is it? What is really important is the human people and the stuff that they do to enjoy life and to help other people to enjoy life.

One more thing: An ancient mumlop blessing. May you have belly laugh a minute for the rest of your life.

Ta Ta,  
Prunella and the gang
